

## Parish News

Twinkle Pre-School has been enjoying forest school, exploring the outdoor environment and having the opportunity to develop confidence, social skills, communication adeptness and more through interacting with nature. We hope to reopen our forest school experience to parents and children as soon as we are able. The field not only provides plenty of opportunity for physical movement but also fresh air and lots of fun for all.

The children and teachers have been busy preparing for the nativity play, learning new songs and words, giving the children the opportunity to improve their communication skills in a context that seems fun and exciting. This year due to the pandemic the nativity will be recorded and uploaded onto the school website.

As I am sure you are aware, fundraising for Twinkle and the school has been greatly reduced this year due to covid restrictions. As a small charity run pre-school, Twinkle relies on fundraising to not only fund projects but also to purchase additional specific resources. We would like a much needed interactive white board, so we are able to join in whole school zooms and assemblies and offer a wider range of experiences and teaching to the children. We of course are also still hoping to replace the building at some point, as you can see there is a great need for fundraising in Twinkle.

If you feel you would enjoy reading a story to the children via zoom, please get in touch.

If you or anyone you know, are considering Twinkle as the preschool for their child, please do contact us for details. Twinkle is extremely busy with limited availability.
