

## Sutton St James' Bell Ringers

Thank you from the bell ringers for all the appreciative messages as we've restarted Sunday ringing.

Due to delays in lifting COVID restrictions, we are sorry we can't invite you into the church as hoped on 5th July to ring a bell. We'll aim for another date for this have-a-go session later in the year.

Thank you to those who've already expressed an interest in learning to ring. We'll be in touch when national restrictions allow us to start teaching and look forward to welcoming you.
