

Wincle School.

It has been a year of ups and downs but we were very happy to celebrate our pupils wonderful achievements with an outdoor award's ceremony. The sun shone and thanks to many fantastic donations from parents, we were able to hold a ceremony that would give the Oscars a run for its money! During the ceremony, we spent time thinking about how we have shone like stars this year. Faced with disruption back in January, our pupils showed great resilience and worked hard whether they were at school or at home. We celebrated everyone for persevering and trying hard and the fact that we have been able to have a more 'traditional' summer term. The staff of the school chose to give out awards linked to our school values of respect, hope, compassion, perseverance, integrity and service. Each child received an award before the Headteacher's Award was announced: a pupil who has shone brightly in everything that they have done. There were many cheers and smiles as everyone celebrated.
