

St. Michaels, Wincle

We are having an opening service, Holy Communion, on Easter Sunday, April 4th at 11.00 am. After such a long time of inaction at the church I hope it will be most welcome to see each other again and worship together on this most important day in the church's year.

The next service will be a Morning Prayer on Sunday, April 25th at 11am.

John Henshall

Wincle Fete 2021

Following a recent Zoom Fete meeting, chaired by Shirley Goodwin, the possibility of it going ahead this year was discussed, with various options considered. The provisional date of July was deemed too soon, in view of the Covid situation and therefore a potential date in early October has been put forward. There will be a meeting in July to confirm if the fete is to go ahead. The fete will take place at Burnt House Farm.
